

Ornamental plants

Buddleia de David	Summer lilac
Camelia	Camellia
Choisya ternata	Mexican orange
Colutea arborescens	Bladder-senna
Cytisus scoparius	Common broom
Dahlia x hybrida	Dahlia
Forsythia x intermedia	Golden Bell Bush
Hibiscus syriacus	Korean rose
Hydrangea	French hydrangea
Kerria japonica	Japanese marigold bush
Kolkwitzia amabilis	Beauty bush
Lagerstroemia indica	Crape myrtle
Mahonia	Mahonia
Malus perpetu 'evereste'	Crabapple
Nandina domestica	Heavenly bamboo
Nerium oleander	Nerium
Philadelphus coronarius	Sweet mock orange
Prunus padus 'Le Thourel'	Bird cherry 'Le Thourel'
Rhododendron kiusianum	Kiusianum Azalea
Spiraea	Meadowsweet
Spiraea japonica	Japanese meadowsweet
Syringa vulgaris	Common lilac
Ulex europaeus	Gorse
Weigelia	Weigelia

Climbing plants

Jasminum nudiflorum	Winter jasmine
Lonicera caprifolium	Italian woodbine
Rhynchospermum jasminoides	Confederate jasmine
Wisteria sinensis	Chinese wisteria

Fruit plants

Arbutus unedo	Strawberry tree
Castanea sativa	Sweet chestnut
Corylus avellana	Common hazel
Corylus avellana contorta	European filbert
Cydonia oblonga	Quince
Diospyros kaki	Oriental persimmon
Ficus carica	Common fig
Juglans regia	English walnut
Malus communis	Apple tree
Morus alba	White mulberry
Morus nigra	Black mulberry
Musa basjoo	Japanese banana
Olea europaea	Olive tree
Prunus cerasifera	Cherry plum
Prunus padus	Bird cherry
Punica granatum	Pomegranate
Pyrus communis	European pear

Conifers

Cedrus libani	Cedar of Lebanon
Cupressus	Cypress
Juniperus communis	Common juniper
Juniperus oxycedrus	Cade juniper
Pinus pinaster	Maritime pine
Pinus pinea	Parasol pine
Pinus sylvestris	Scots pine
Pseudotsuga douglasii	Douglas tree
Thuja	Eastern white cedar

... There are also all our different grasses, from a single blade to various types of bamboo!

There are over 120 different varieties of tree and shrub on the Cévennes Provence camp site.

Some have sprung up spontaneously, others were planted by former local inhabitants, and since 1957, others have been planted by our family.

We have tried to list them all for you.

You can try to find them and we are of course here to help if there are any you cannot identify.

You are welcome to help yourselves to the herbs in our garden at the entrance to the mini-golf course.

Please use scissors to cut what you need, as and when you need it.

Deciduous plants

Acacia dealbata	Mimosa
Acer japonicum	Full moon maple
Acer lacine	Red maple
Acer negundo	Boxelder maple
Acer platanoides	Norway maple
Aesculus hippocastanum	Horse chestnut
Ailanthus altissima	Tree of heaven
Albizia julibrissin	Pink siris
Alnus glutinosa	European alder
Alnus incana	Speckled alder
Aucuba	Japanese laurel
Betula	Silver birch
Broussonetia papyrifera	Paper mulberry
Buxus sempervirens	European box
Catalpa bignonioides	Southern catalpa
Celtis australis	European nettle tree
Cercis siliquastrum	Judas tree
Chamaerops excelsa	Chinese windmill palm
Cotoneaster horizontalis	Rock cotoneaster
Crataegus monogyna	Common hawthorn
Eucalyptus gunnii	Cider gum
Euonymus europaeus	European spindle
Fraxinus excelsior	European ash
Ginkgo biloba	Gingko
Gleditsia triacanthos	Honey locust
Koelreuteria paniculata	Golden raintree

Laurus nobilis	Bay laurel
Ligustrum lucidum	Chinese privet
Liquidambar	Sweetgum
Liriodendron tulipifera	Tulip tree
Magnolia grandiflora	Southern magnolia
Magnolia soulangeana	Saucer Magnolia
Meliaceae	Meliaceae
Morus alba pendula	Weeping mulberry
Morus platanifolia	Fruitless Mulberry Tree
Paulownia tomentosa	Empress tree
Phillyrea angustifolia	Phillyrea
Pistacia terebinthus	Terebinth
Pittosporum tobira	Australian laurel
Platanus acerifolia	London planetree
Populus	Poplar
Prunus avium	Wild cherry tree
Prunus laurocerasus	English laurel
Prunus lusitanica	Portugal laurel
Prunus rosea	Weeping higan cherry
Prunus serrulata	Japanese cherry
Quercus ilex	Evergreen oak
Quercus pubescens	Downy oak
Quercus rubra	Northern red oak
Rhus typhina	Staghorn sumac
Robinia pseudoacacia	Black locust
Robinia pseudoacacia bessoniana	Bessoniana bloom
Robinia pseudoacacia umbraculifera	Mop-head acacia

Salix	Willow
Salix alba	White willow
Salix babylonica	Weeping willow
Salix caprea	Goat willow
Salix matsudana tortuosa	Corkscrew willow
Sambucus nigra	European elder
Sophora japonica	Japanese pagoda tree
Sorbus domestica	Sorb tree
Tamarix gallica	French tamarisk
Tilia tomentosa	Silver linden
Tilia X vulgaris	Lime Tree
Ulmus minor	Elm
Viburnum tinus	Laurustinus

Broussonetia papyrifera

Quercus ilex

Cercis siliquastrum

Tilia X vulgaris

Pseudotsuga douglasii

Castanea sativa

We would like to thank Madame Baudasse for the watercolours she painted during her holiday at the camp site.
